Legal Department Expense per Employee

Definition & Measurement Details

What is Legal Department Expense per Employee?

The total expense incurred by the Legal Department divided by the number of employees working for the company over the same period of time.

Why should this KPI be measured?

Legal Department Expense per Employee measures the total expense incurred by the Legal Department in relation to the number of employees working for the company over the same period of time.

How is this KPI calculated?

Two values are used to calculate this KPI: (1) the total expense incurred by the Legal Department and (2) the number of employees working for the company over the same period of time.
